

Whitstable Junior School

Visions of the School Sports Premium 2018-19

	2018-19
Sports Premium Grant 2018-19	£18,680.00
Total number of pupils on roll	279
Sports Premium Grant 2017-18	£19,661.84

## Whitstable Junior School- Sports Funding

### Report to Parents: Planned Expenditure 2018-2019

#### Allocation

- Funding for this year will be £18,680.00. This is slightly less than last year's allocation of £19,661.84, due to less children on roll.

#### Principles

- Funding has been allocated since September 2013 to improve the quality and breadth of P.E. and Sport Provision at Whitstable Junior School.
- Again, we have allocated a portion of this funding towards a, now full time sports coach who has enhanced children's physical activity through additional after school clubs and competitions.
- Funding in 2018-2019 will continue to build upon the success of 2017- 2018 when we obtained the Sport England Silver Kite award. It will have a continued focus on staff development in order to ensure high quality PE provision is embedded in all practices and is sustained to a high standard should the funding end in the future.
- It will also enable us to increase our sports provision from other providers, attend more sporting events and pay for additional staff to run clubs and take children to away fixtures.
- We will further expand our range of after school clubs across a range of sports, including a girls football team and a multisport club. This will provide chances for more of our pupils to get involved in sport and hopefully encourage pupils to participate in local club sports. The funding will allow us to utilise club coaches within our sports week and offer holiday clubs throughout the year.
- Where possible we are going to continue to take two teams to some competitions, to again increase chance for children to play sport.
- Past evaluations of PE provision have highlighted that sport participation and attainment is lower in girls than boys within the school. Utilising the part time sports coach we are able to provide greater opportunities and focus, via weekly after school clubs, specifically for girls. The addition of a girls football team has not only increased participation for girls, but enthusiasm and enjoyment.
- In July 2019, we be running a sport and healthy lifestyle week with each day delivering a different sport to all children. We are also planning to include an additional element this year, in the form of an additional company to do an assault course and fun team building activities with each year group.
- Last year, we introduced two new things to aid additional physical activity for our pupils. The Golden mile will continue to be done by each class once a week and Wake up shake up, is set to be rejuvenated later this year with some staff involvement.
- Funding will be used to support children who can already swim 25m to swim extra and also to support children who cannot swim that distance.

- We have purchased a brand new metal container in which to store PE equipment. This is a safe and secure store for everything. We have also bolstered our equipment slightly with new footballs and break time balls.

Year Group	Additional curriculum Opportunities	Extra- Curricular Clubs	Inter School Competitions
3	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes.  Inclusion in sports week.	Athletics Football Gymnastics Netball Yoga Girls' Sports Cricket Hockey Dodge Ball Multi sports Basketball Handball	Basketball Hockey Dance
4	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes.  Inclusion in sports week.	Athletics Football Gymnastics Netball Yoga Girls' Sports Cricket Hockey Dodge Ball Multi sports Basketball Handball	Basket Ball Hockey Dance
5	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes.  Inclusion in sports week.	Athletics Handball Football Gymnastics Netball Yoga Girls' Sports Cricket Hockey Rugby Dodge Ball Multi sports Basketball	Basketball Handball Athletics Football Hockey Netball Cricket Gymnastics Dance
6	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes.	Athletics Handball Football Gymnastics Netball	Basket Ball Handball Athletics Football Hockey

	Inclusion in sports week.	Yoga Girls' Sports Cricket Hockey Rugby Basketball Dodge Ball Multi sports	Netball Cricket Gymnastics Dance
--	---------------------------	---	---

#### Leadership

- Training 12 Sports Leaders from the current Year 6 cohort to support sport at break and lunchtimes assist with setting up PE equipment and to help deliver intra school sports competitions, particularly during sport and healthy lifestyle week and on sports day.
- Co-ordinating with specialist providers and local sports clubs to provide further opportunities for all children.
- Continued membership of the Coastal Alliance Local Sports partnership.
- Review and develop the quality of provision through an audit of staff skills, observation of lessons and leading of model lessons.

#### Impact of Sports Premium Funding 2017-18

In 2017/18 the school obtained a Sport England Silver Mark for the third consecutive year. This shows that the school is continuing to provide a high level of physical education and extra-curricular sporting opportunity. It is our intention to push on further and aim for the gold mark this year, but at the very least we should expect to attain the silver mark again. Last year saw the successful implementation of sports coach Mr Kidd who helped to significantly boost our extracurricular provision and attendance at competitions. The golden mile was implemented successfully, increasing every child's physical activity for the week. Morning wake up shake up sessions happened regularly, involving some children in dance. Sports week happened in term 6 for the first time and was a great success. Every child in the school had a chance to learn four different sports across the week, benefiting from the expertise of some external coaches. The week culminated in a competition day. Sports day was also a success at CCW.
