

Triple challenge champs

Help us to win prizes for pupils by joining in walk to school and reading challenges this term. All the children need to do is walk to school as often as possible and meet their home reading

targets. They could win the Class of the Week Trophy, tickets to top attractions such as Leeds Castle or Brighton Sea Life Centre, or a storytime with a star such as CBeebies presenter Phil 'Mister Maker' Gallagher! makes it so special.

Cook up a storm to win cash

Now is the time to enter the Young Cooks contest. Children aged six and up can take part on their own or team up with a parent or guardian. The best entries will be invited to an exciting MasterChef-style final where they will cook their menus for a panel of judges. Category winners and the overall champion will share a whopping £500 prize! The deadline is Thursday 7 November.

Green light for eco awards

Praise and encourage eco-friendly behaviour in pupils by submitting an online nomination for The Green School Awards. It's easy to nominate, just describe your favourite green activity in our school whether it's a recycling, conservation, or green travel scheme. Details of the winning initiatives will be shared across the county to inspire other schools to try them, too.

Rewarding young writers

The 'Be the Boss' writing competition runs throughout the year and gives pupils the chance to take the top job at an organisation for a day. Former prizes have included Historic Dockyard

Chatham, Source BMX Park and Diggerland. To enter, children complete writing activities such as a letter to a friend, or a creative description of a green journey to school.
