	2017-18
Sports Premium Grant 2017-18	£19,661.84
Total number of pupils on roll	282
Sports Premium Grant 2016-17	£9,717.34

Whitstable Junior School- Sports Funding

Report to Parents: Planned Expenditure 2017-2018

Allocation

- Funding for this year will be **£19,661.84**. This is about double of last year's allocation of **£9,717.34**.

Principles

- Funding has been allocated since **September 2013** to improve the quality and breadth of P.E. and Sport Provision at Whitstable Junior School.
- We have allocated a portion of this funding towards a part-time sports coach who has enhanced children's physical activity through additional after school clubs and competitions.
- Funding in 2017-2018 will continue to build upon the success of 2016- 2017 when we obtained the Sport England Silver Kite award. It will have a continued focus on staff development in order to ensure high quality PE provision is embedded in all practice and sustainably of high standards whenever the funding ends in the future.
- It will also enable us to increase our sports provision from other providers, attend more sporting events and pay for additional staff to run clubs and take children to away fixtures.
- We will run a wider variety of after school clubs across a range of sports, including Girls Elite coaching and yoga. This will enhance the performance of our school teams and encourage pupils to participate in local club sports. The funding will allow us to utilise club coaches within our sports week and holiday clubs throughout the year. The increase in clubs this year has included an additional approximately 15% more children throughout the school.
- Past evaluations of PE provision have highlighted that sport participation and attainment is lower in girls than boys within the school. Utilising the part time sports coach we are able to provide greater opportunities and focus, via weekly after school clubs, to girls. The addition of the girl's elite after school club has increased girls participation in sport by 8% and is allowing their skills and potential to be developed further.
- In June 2018 we will be running a sports week with each day delivering a different sport, supported by local sports clubs, to all children. At the end of the week the range of sports skills learnt will accumulate in an intra-school competition.
- As a reflection of the increasing rate of children not meeting government guidelines on physical activity levels and obesity we will be implementing two regular programmes. Wake Up Shake Up every morning for 10 minutes and the Golden Mile once a week. Both of these programmes are to be set up by the part- time sports coach with the intention of the programme in the future being run by class teachers.

- Funding will be used to support children who can already swim 25m to swim extra and also to support children who cannot swim that distance. **Last year 35% of the year 6 cohort passed the 25 metres.**
- We have improved our equipment for PE which has included a new basketball net and we plan to introduce metal container in which to store this equipment effectively.

Year Group	Additional curriculum Opportunities	Extra- Curricular Clubs	Inter School Competitions
3	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes. Inclusion in sports week.	Football Gymnastics Netball Yoga Girls Elite Sports Cricket Hockey Rugby Dodge Ball	Basket Ball Hockey Dance Tri Golf
4	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes. Inclusion in sports week.	Football Gymnastics Netball Yoga Girls Elite Sports Cricket Hockey Rugby Dodge Ball	Basket Ball Hockey Dance Tri Golf
5	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes. Inclusion in sports week.	Athletics Handball Football Gymnastics Netball Yoga Girls Elite Sports Cricket Hockey Rugby Dodge Ball	Basket Ball Handball Athletics Football Hockey Netball Cricket Gymnastics Dance Tri Golf
6	Participation in the Weekly Golden Mile and daily Wake Up Shake Up programmes. Inclusion in sports week.	Athletics Handball Football Gymnastics Netball Yoga Girls Elite Sports Cricket Hockey	Basket Ball Handball Athletics Football Hockey Netball Cricket Gymnastics Dance

		Rugby Dodge Ball	Tri Golf
--	--	---------------------	----------

Leadership

- Training 20 Sports Leaders from the current Year 6 cohort to deliver lunch time sport activities, assist with setting up PE equipment and to help deliver intra school sports competitions.
- Co-ordinating with specialist providers and local sports clubs to provide further opportunities for all children.
- Continued membership of the Coastal Alliance Local Sports partnership.
- Review and develop the quality of provision through an audit of staff skills, observation of lessons and leading of model lessons.

Impact of Sports Premium Funding 2016-17

In 2016/17 the school obtained a Sport England Silver Mark. This was an improvement on the Bronze Mark obtained the previous year. This shows that the school has made good progress in all aspects of PE including pupil attendance to extra-curricular clubs, sporting opportunities offered to the children and greater networking within the local community. There was a continuation of inter and intra school competition throughout the academic year. Last year's sporting achievements were rounded off by a successful sports day.
