Friday 24<sup>th</sup> April 2020

Dear Children,

Hello there and how are you? I've missed seeing you all and decided it was time for me to send you a message. I've sent your parents loads and loads!! I've also recorded a video message for you which you will find in your google classroom or on the school website as a YouTube link (<https://www.youtube.com/watch?v=25LL5tOR4BI>). It will be in the Children's Zone where it says Message from the Headteacher. I just wanted to say how proud I am of you all. This is such an unusual time and one that none of us have ever had to manage before, so we are all learning. I have seen and heard that you are all being super stars. I have been looking at Google Classrooms and also hearing from your parents how you are getting on with any tasks we may have sent you in the post. Well done for doing whatever you can at home to keep those magnificent brains of yours learning.

On my way to work I have seen some of you on your daily exercise and we have waved which has really made my day. I've also seen some of you when I have been walking Dexter (Dexter says Woof to you too).

I imagine you have lots of questions about when we might be returning to school and what that may be like. I want you to know that you do not have to worry about any of this. We are sorting this all out and when the time comes for you to return to school we will make sure you know exactly what is happening. School is going to look really lovely for you when you return. The hall is being painted and will also have a lovely new floor in the next few weeks too. We are also mending the structure so you will be able to go back onto it to play. I can't wait to see you all running up and down it.

At the moment you just have to keep on doing what you are doing, which is staying safe and being awesome. You truly are the WJS Wonder Kids and I am so lucky to be your Headteacher.

Take care all of you.

Warmest wishes,

Mrs Knoupe

Headteacher
