Dear Parents and Carers,

I just wanted to let you know that the teachers have all recorded a message to the children in their classes and uploaded these to their google classroom. For those children who can't access the classrooms I have included the link below to the video for your child's class teacher.

The video link is to our secure YouTube site and can be watched on most devices.

We hope the children enjoy hearing from their teacher and I know there are some messages of support from the teachers to you as parents for all your hard work keeping the children's brains whirring and active.
