## Sports newsletter- Term 3 2018/19

Welcome to our sports newsletter for Term 3. The girls and boys football teams both completed their seasons with the match at Herne Juniors, 18 children from years 5&6 participated in the Sports Hall athletics competition at Herne Bay High and the Netball league has begun. Enjoy the newsletter!

Mr Peal

### Girls and boys football

Both the girls and boys football teams played their last fixture of the season at Herne Juniors. Despite a good performance, the boys unfortunately were on the wrong end of a defeat. The girls battled to a 0-0 draw which saw them end the season in 9<sup>th</sup> position out of the 11 schools that took part. A fantastic effort for their first season as a team! Well done to both teams for your efforts throughout the season! We played more fixtures this year than we ever have done previously. Finally, a big thanks to the PTFA for the minibus funding. They were essential to get to and from these fixtures!

### Year 5/6 Sports Hall athletics competition- 16<sup>th</sup> January at Herne Bay High

One of the biggest competitions of the sporting year happened this term at Herne Bay High and WJS took a team of 18 Upper School children, 9 boys and 9 girls. Every single athlete competed in track and field events and represented the school creditably. We finished 8<sup>th</sup> out of 16 schools which is a fantastic result. A special well done to Marcie for being star athlete!

### Netball

The Coastal Alliance Netball league has begun this term and at the time of writing, WJS have played one game, a creditable 10-10 draw at Davington which included debut sporting appearances for some of the squad members. Thank you to Miss Lodge for organising the fixtures and running the sessions and also Marcie's mum for helping out! The fixtures will continue next term.

Hope you have enjoyed this terms newsletter celebrating our children's sporting endeavours! See you next term.

Mr Peal and Mr Kidd.
