Election/Appointment of a new Parent Governor

Dear Parents and Carers,

I recently wrote to you inviting you to apply to become a Governor at Whitstable Junior School. The Governing Body had a vacancy for a Parent Governor.

I am pleased to inform you that Megan Leggatt has now been re-elected as parent governor.

We continue to look for associate governors. If you think this may be something that would interest you please contact the school and I will happily discuss what this entails.

Kind regards,

*AMKnoupe*

Anne Knoupe  
Headteacher
