Dear Parent or Guardian,

Rock and pop band lessons may be coming to your child's school! Limited spaces are available so please register your child's interest as soon as possible to avoid disappointment. No musical experience required.

Your child has the opportunity to join their very own rock band and become either a drummer, keyboard player, vocalist or electric guitarist. Our in-school band lessons are inclusive, fun and support children's wellbeing by building confidence, resilience and encouraging motivation through music.

How it works:

- Children can choose to become either a vocalist, drummer, keyboard player or guitarist within the band. Please let us know what your child's preference is.
- 30-minute weekly lessons run during the school day with iRock providing all the equipment and instruments.
- Available to children from reception to year 6 with no musical experience necessary.
- End of term concerts organised by iRock - A chance for every child to perform and showcase what they have achieved throughout the school term.

Your child can experience all the benefits of our weekly lessons for a monthly rolling subscription of just £29.99 with no payment due in August. We are confident your child will love iRock and we therefore give you the opportunity to cancel your subscription by the 20th of any month giving you full control and flexibility with your subscription.

To register your child's interest please visit www.irockschool.com/parents-form, email us on info@irockschool.com or call us on **0800 634 9310**. We will then contact you with further details once scheduling has been confirmed at your school.

Kind regards,

Joshua Franklin
