Want to make…
Glow in the dark SLIME?
Magnetic SLIME?
Glowing volcanoes?
Make Creeper
rockets go 20 feet in the air?
Make INSANE chemical reactions happen?

ureka Seeker

Want to learn some awesome experiments you can redo at home and show to your friends?

£4 for an hour of MAD science experiments, cookie making or cra activities all based around a new theme each week!

Every Wednesday at 3:30, we will be running our new after school club at Whitstable Junior School.

To book your block of 5 weeks (for term 4) at the total cost of £20 or to express an interest in this club call Naomi on 07412205105/ eurekaseekers2019@gmail.com!

We will be starting our first sesison on 26th February.
