

Illustration for Front Cover 2018

Dear Staff and Pupils,

Each year Whitstable and Herne Bay Lions Club organizes a poster competition for the May Day celebrations in Whitstable and the support we have received from local schools has always meant a great deal to us. In fact, the children's designs for the posters and front cover of the programme have become part of the tradition. We do hope you will be able to participate in this year's competition.

Competition guide:

- A5 is a good size for younger children
- Portrait or landscape is fine (landscape is a good fit)
- Bright colours are best.
- Nothing should be stuck onto the paper.
- Wording is not necessary. All the details will be printed in the space above or below the design.

Every entry will be laminated and displayed in the Castle grounds.

A winning entry will be chosen from each school and entered into the final selection. They will each receive an award.

A first prize winner and two runners up will then be selected.

Gift tokens will be presented to the three finalists at Whitstable Castle on Sunday, May 3rd, 2020

It would help if all the entries could be collected by Tuesday, March 31st.

This would allow time for the posters to be on display around the town and on our website.

Please note the publicity involved.
Names of children and schools should only be written on the back of the posters.

Thank you for your support
