

Whitstable Junior School

Learning today for life tomorrow

Term 5 7th May 2020

A message from the Headteacher...

Dear Parents and Carers,

What a beautiful day it is today and I'm hoping this lovely sunshine sticks around so we can all feel brighter and lighter in these unusual times.

As you know tomorrow is Bank Holiday Monday on a Friday for anyone who isn't confused enough about what day of the week it actually is. School will be closed for the Friday Bank Holiday and I'm hoping you all have fun doing some of the staying at home celebrations that this significant anniversary of VE Day warrants.

I hope the children enjoyed the messages their teachers sent their classes this week. I certainly enjoyed watching Mr George dismiss the children at the end of the day and loved seeing Mrs McNally get all sticky with slime. Ms Collin's rabbits were super cute too. I had said I would do another video showing the improvements to our hall and the structure. This is underway but not quite there yet so I will hopefully be showing you around by the end of next week.

A huge thank you to all the staff who have come in to school over the term so far, it is not normal or easy for them, or for the children. A thank you to parents and carers too. I know this time has been a huge challenge for many of you, but you are doing an amazing thing by staying safe, and saving lives in doing so...and there can't be anything much more important than that.

I am hopeful that we will receive some guidance by the end of the weekend about what the next few weeks and term 6 might look like. I will keep you informed as soon as I know more.

Wishing you all a relaxing weekend.

Warmest wishes,
Annie Knoupe

Headteacher's Award...

Mr Rick

Thank you to Mr Rick our fabulous caretaker, who has continued to keep the school ticking along and has helped any workers on site do their job safely. He is missing everyone and told me he can't wait to be "back to normal".

Answers to last week's quiz.....

WHAT'S THE MISSING WORD FROM EACH BOOK COVER?

1- Breakfast

2- Love

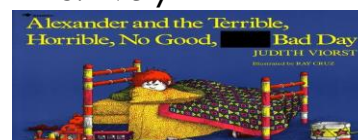

3- Peace

4. Snowy

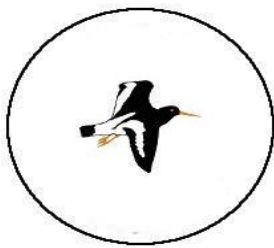

5. Very

Mr Creton's Quiz Round 3...

Round 3 – NAME THE SCHOOL

TT Rockstars...

A link for you budding coders.....

RaspberryPi

Digital Making at Home.

Join us as we code and create projects at home. Every week we'll share a theme that will inspire you to have fun, solve problems, and express yourselves creatively with technology. Code along with us or create something on your own!

The Whitstable School- Year 6 Children...

The Whitstable school has asked us to share this link to their website which gives some really great information regarding starting in September 2020. If I get more links from other school's I will share them but it is worth having a look at the website of the school your child is moving on to.
