Dear Parents and Carers,

I just wanted to let you know that the learning support assistants have all recorded a story or a poem to the children in their classes and these have been shared in google classroom. For those children who can't access the classrooms I have included the link below to all the videos. The video links are to our secure YouTube site and can be watched on most devices. We hope the children enjoy listening to the stories and poems.

Link to the video.
