Learning today for life tomorrow

**Term 5 15<sup>th</sup> May 2020**

## A message from the Headteacher...

Dear Parents and Carers,

The penultimate week of term 5 has come to an end. It has been a pretty full on one and I'm ready for the weekend. Thank you so much for completing the survey I sent out regarding the phased re-opening of school. If you still need to complete it you have until Mon 18<sup>th</sup> May 9am. Here is the link.

Please keep an eye on emails. Particularly parents of children in year 6 as there will be information you need to know coming out to you next week. We are working very hard to plan and prepare everything so we can give you a full picture of how we intend to re-open school for year 6 on June 1<sup>st</sup>. We also want you to be able to talk to your children over half term about how very different life in school will be. We don't want the children to think they will be returning to school life as it was before school closed.

I have emailed year 5 parents today with information (actually not much information) regarding the Kent Test. Please look out for it.

The Feel Good Friday Letter should also be winging its way to you too. Please do take a look at it as it has some great ideas on it.

We continue to receive fabulous examples of home-learning and these have been saved in the Home Learning Gallery page on our website.

We saw the most awesome artwork where some famous paintings had been recreated and photographed. We were simply stunned by them. I have also heard today about a magnificent sporting achievement. Congratulations to Daniel for completing a 5km run and raising over £600 for the RNLI. I am so proud to be part of this school.

Hope you all manage a lovely weekend and maybe you will get to see some loved ones that you haven't been able to for quite some time. I'm certainly looking forward to a socially distant dog walk with my eldest son.

Wishing you all a relaxing weekend.

Warmest wishes,

Annie Knoupe
