Dear Parents and Carers,

Zoom Information Meeting

As I have mentioned before we would normally hold a parent information meeting in July where you can meet the school staff and we can give you all the information you would need prior to your child starting with us in September. In the current climate unfortunately we are unable to hold this meeting.

However I am hoping we could hold a virtual information meeting using Zoom.

My plan is to set up some meetings where you can ask myself and Ms Collin, our Lower School Phase Leader, any questions you may have and also meet your child's new class teacher.

The idea is that we will offer 2 dates with 2 times and you choose which ones you would be able to make. I would then email you the link to join a Zoom meeting.

Before I do this I would like to gain some idea of how many parents and carers would be interested in doing this.

Therefore please could you register your interest on the very simple survey that asks if this is something you would like to be part of.

Once I know numbers I will send out another link for you to inform us on which dates you could attend the Zoom meeting. These dates will be in July.

The link for registering your interest will expire on Friday 12th June at midday.

I hope this is something you would like and look forward to seeing you all virtually.

Warm wishes,
Annie Knoupe
