

Whitstable Junior School

Learning today for life tomorrow

Term 6 12th June 2020

A message from the Headteacher...

Dear Parents and Carers,

I have good news regarding our hall floor. Finally the flooring has arrived and is being laid as I type. By the beginning of next week we hope to be able to take some fabulous photos of our new hall floor. It's amazing the things that excite us now. 😊

I have written quite a long letter (sorry) today which will update you on everything that is going on related to COVID19 and school opening. If you haven't received it you will find it on the website along with all other letters we have sent out.

Registration of attendance for the week beginning Monday 15th June has now closed, remember this is for Year 6 parents and Key Worker parents only. Thank you everyone for completing the register.

The next letter for registering will be emailed on Monday 15th June. If you are a Key Worker this will be to register your child's attendance for the week beginning Monday 22nd June and you will need to complete this by midday on Thursday 18th June. If you are registering your Year 6 child this will be for the remainder of the term and there will not be another opportunity to register your child's attendance.

I'd like to say thank you to Russell from Prospect House, Thanet Way. He delivered 48 Easter Eggs to school this week that they had been unable to hand over to their employees. This meant the children in school got a lovely but unusual surprise of an Easter Egg to take home. Things just get stranger.

Please look out for the Feel Good Friday letter that will be dropping into your inbox today. Lots of lovely ways to boost your spirits. I'm hoping the weather turns sunny again in time for the weekend and that will help too.

Warmest wishes,
Annie Knoupe

Headteacher's Award...

Mrs Amos
For being a ray of sunshine every day and for being our right hand woman during this very unusual time. Mrs Amos we love you!

House Names Update...

WJS New House Names

Thank you if you took part in the survey to choose the drivers and colours of our new house names.

All four Houses have the drivers INDEPENDENCE (bird) and COMMUNITY (bee) as part of them but you decided which of the Houses would be responsible for the other four. You have also decided which colour each House should be. The chart below shows the results of the survey.

 Oak	 Maple	 Willow	 Ash
Challenge 	Curiosity 	Resilience 	Adventure 
Green	Red	Yellow	Blue

You will stay in the House colour that you have always been in.

This means that from September 2020:

Wolfe- Green - you will now be in Oak House

Marlowe- Red - you will now be in Maple House

Caxton- Yellow - you will now be in Willow House

Becket- Blue – you will now be in Ash House

Letters this week...

Remember you will find all the letters sent out on the school website in letters.
