Dear Parents & Carers,

Re: Registering attendance at school week beginning 15th June for Year 6 and Key Worker children (the definition of key workers has NOT changed)

Please complete the register for your child for the week beginning Mon 22nd June and let us know whether your child will be coming in to school or not. Please let us know by midday on the **Thursday 18th June. The link will close at midday and we will not accept any late entries via email/phone.**

Year 6 Parents/Carers- <https://www.surveymonkey.co.uk/r/6PWVDC8>

Key worker Parents/Carers of children in Years 3, 4 and 5 ONLY -
<https://www.surveymonkey.co.uk/r/ZN287KL>

If you do not use the SurveyMonkey link to register your child's attendance we will be taking that as your decision NOT to send your child in to school the next week. Late emails requesting children do attend will I am afraid not be accepted. We are having to plan staffing very carefully in line with our strict Risk Assessment. I am sorry we cannot be more flexible and I am sure you understand.

The rest of this letter is only relevant should your child be returning to school. Social distancing will be taught and encouraged but I cannot guarantee this and the Government guidance acknowledges this.

- Children are in "bubbles" of 15 children maximum. **You will be informed on Friday** which bubble they are in and given information for the following week regarding start times, what they need etc.
- **The school day will finish early every Friday** (from 1pm). *If you are a Key Worker please let us know on the registration form that you cannot make arrangements for your child to leave early on Fridays. We hope you understand how important it is for us to be able to deep clean the premises.*

I understand that every parent and carer needs to make their own decision based on what is best for their family and I want you to know we are here to support you all. Thank you for your continued understanding at this very challenging time.

Warm wishes,
Annie Knoupe
Headteacher
