23rd September 2020

Dear Family,

You may have heard that Helen Lambirth, our head teacher is leaving Westmeads at the end of October to take up a new position as Senior Lecturer at York St. John University. She will be relocating to Yorkshire with her husband Andrew and dog Rosa. We will miss her very much and wish her well in her new career. We are grateful to her for all the hard work and dedication she has shown to children, staff and the community during her 8 years at Westmeads and we would like to give parents the opportunity to express their thanks too, should they so wish. I will be taking on the role of Acting Head until a new appointment can be made, hopefully by January 2021.

We thought it would be a lovely surprise to create a book for Helen to include any messages or photos from past families. We invite you to send these via email to officemanager@westmeads.kent.sch.uk We will print and collate them into a memory book for her. I know she would love to hear from any families with whom she has had contact during her headship here and this book will be something she can treasure and keep. Should you wish to donate any money for a gift from past families, please hand it into the school office at Whitstable Junior School in a sealed envelope with your name on by Friday 9th October and they will pass it onto us.

Please feel free to contact the school office if you need to discuss this further.

Kind regards,

Kate Gowing,
Deputy Head and SENCo
