I am an experienced Violin, Piano and Viola teacher offering individual piano, violin and viola lessons and small group violin/viola teaching.

I teach using the Colourstrings method, which develops children's inner hearing, music reading skills and instrumental dexterity in a fun and simple way. Details of the Colourstrings method can be found on their website: <http://www.colourstrings.co.uk/>

Lessons take place during the school day.

Please contact me for more details, or to book a place for lessons.
