## School Improvement Plan Targets 2020 2021

<b>The Quality of Education</b>	<b>Behaviour and Attitudes</b>
<p>Target 1. The school continues to have an enriched curriculum that remains broad and balanced, providing challenge and inspiring all children to learn promoting a greater depth of understanding</p> <p>Target 2. To improve reading attainment, reignite children's pleasure for reading and close gaps by adapting current strategies.</p> <p>Target 3. To close gaps and address areas not covered through school closure and to continue to refine and embed a teaching for mastery maths approach.</p>	<p>Target 1. Strategies in place to ensure the school community feels safe and supported and understands the importance of attendance and punctuality.</p> <p>Target 2. Continue to create a culture and environment that sets high expectations in all areas of school so that children and staff have highly positive attitudes to learning and behaviour and respect for others.</p> <p>Target 3. Curriculum planning ensures children understand how to remain safe and have respect for others and an understanding of diversity and equal opportunities.</p>
<b>Personal Development</b>	<b>Leadership and Management</b>
<p>Target 1. To prioritise wellbeing of all members of the school community following the impact of lockdown, school closures and anxieties related to COVID19 and support improved mental health during a period of change. (The school will achieve at least bronze status of Carnegie Mental Health Award.)</p> <p>Target 2. The curriculum will ensure provision for children's SMSC development, consistently and securely support age appropriate development of positive relationships, mental health and wellbeing, equality of opportunity and actively promote the positivity of diversity.</p> <p>Target 3. PSHE Leader will ensure new statutory requirements for Relationship and Sex Education (RSE) are implemented.</p>	<p>Target 1. To continue to embed the culture of safeguarding and ensure all statutory safeguarding requirements are in place.</p> <p>Target 2. To ensure staff well-being remains a high priority and all workload is purposeful.</p> <p>Target 3. To introduce a revised teacher appraisal system which enables teachers to grow professionally and share expertise.</p> <p>Target 4. Accurately monitor the standards of learning &amp; teaching in all subjects.</p>
