Dear Parents and Carers,

Please find below a table with the email addresses for staff you might need to contact including your child's class teacher. We did send these out in September but realise they may have gone astray and also that your child may be in a Critical Worker Bubble with a different member of staff.

The email address is for you to use if you need to share any information or ask questions that you would normally talk to the class teacher about at the end of the school day. Any general queries should still go through the school office [manager@whitstable-junior.kent.sch.uk](mailto:manager@whitstable-junior.kent.sch.uk). Please use the manager email address to inform us of your child's absence.

Teachers are busy teaching during the school day and so a morning email from you may or may not be read by them until the end of the day. For anything you feel needs the teacher's attention urgently please phone the school office. You can also email the Well Being Team directly if you would like to share any information with them.

Teachers will aim to respond to emails quickly but not beyond 5pm. They will also not be able to respond to any emails over the weekend.

Once again thank you very much for helping us adhere to all the government guidance we have had to put in place to keep us all safe.

Kind regards,  
Annie Knoupe  
Headteacher
