12<sup>th</sup> February 2021

Dear Parents and Carers,

## **For parents and carers of children who have been attending school bubbles.**

We have been asked as a school to be on call for NHS test and trace at the beginning of the half term holiday. After we finish on 12<sup>th</sup> February, there is the potential that a child might become unwell with symptoms of COVID19 in the days following the end of term.

If your child develops symptoms on Friday 12<sup>th</sup> Feb, Saturday 13<sup>th</sup> Feb or Sunday 14<sup>th</sup> Feb you should ensure your child is tested for COVID19. If the result comes back as positive please complete the Pupil Notification Form using the link below.

[WJS Pupil Notification of Positive Case Form](#)

We will then be able to contact anyone in your child's bubble and advise them to self-isolate.

If your child develops symptoms after Sunday 14<sup>th</sup> Feb and tests positive for COVID-19, the school should **not** be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

Please keep this letter handy should you need to refer to it but fingers crossed you don't and have a lovely half term break.

Warm regards,  
Annie Knoupe  
Headteacher
