Barton Court Academy Trust (BCAT) is proud to be opening the brand new secondary school, a non-selective, co-educational, 11-18 years school called Barton Manor School (BMS) in September 2022 to Year 7 students. There will be 150 places open to Y7 only in September 2022 and the School is sited on Spring Lane, Canterbury on the former Chaucer School site.

The Trust lead school is Barton Court Grammar School which will work closely and collaboratively with Barton Manor School sharing Senior Leaders, Middle Leaders, teachers and support staff. The Trust also sponsors The Charles Dickens School, a non-selective co-educational school in Broadstairs which will also support the development of Barton Manor.

Aspire, Believe, Achieve

The School's amazing state-of-the art design combined with an innovative curriculum, excellent teaching and learning, and strong pastoral care and guidance, will provide outstanding education for the local community for generations to come.

10 Reasons why **Barton Manor School** is the right school for your child

We know that many parents and carers might have had their child's secondary school in mind for a number of years, but there are so many reasons to join BARTON MANOR SCHOOL, our exciting new school for Canterbury and the Coastal districts.

1. Academic excellence

It is our belief that combining BARTON MANOR SCHOOL's vision, values and ethos with our track record of excellent results in our Trust will stand up to national rigour.

2. Transition made easy

Starting a secondary school can be intimidating, but at BARTON MANOR SCHOOL we are a smaller, friendly school, no crowded hallways to get used to and using our vast experience from across the Trust we have an excellent transition process to ensure every child/parent and carer feels welcome and valued.

3. The sky is the limit

Aspiration is a key word at BARTON MANOR SCHOOL. We don't want to constrain students' dreams. Our outlook on high standards will be embedded not only in the curriculum, but in all activities so that students are aware of the wealth of opportunities available to them, both at home and beyond.

4. An ethos for everyone

We are a fully inclusive school and we promise to provide an outstanding education for everyone - irrespective of faith, gender, social background or prior attainment - who wants to join us. We believe our ethos instils principles in our students that are universal.

5. Become a leader

One of the benefits of a secondary school with a Sixth Form education is that students get opportunities to develop key life skills, like leadership, by mentoring their younger students. Our new Sixth Form will work seamlessly with that of Barton Court Grammar School, our lead school so our students will have access to a fully comprehensive and sustainable post -16 provision.

6. Enriching experiences for all

That we want our students to be high achievers is a given, but we also want them to be well-rounded so they have the best possible chance of being successful after they leave us. To achieve this we are developing a comprehensive enrichment programme that will enable all of our young people to thrive through experience. We will ignite unknown passions by exposing them to pursuits and activities they may not even yet know about.

7. Community matters

We believe our students should offer their services to others and the wider community. The skills, knowledge and life experiences from this will provide them with a comprehensive catalogue of the impact their work is having. It will also serve to be an invaluable part of their CV and personal statement for university, apprenticeships and the world of work.

8. New building, new ideas, new futures

Students will benefit from our brand new facilities, complete with the latest technology and contemporary learning classrooms. This inspiring backdrop will see students engaged in a lifelong love of learning.

9. Purposeful partnerships

We are utilising our proximity to London and Europe to establish partnerships with global commercial, technological and financial organisations. Partners will work with our school leaders to promote entrepreneurship and creativity within the curriculum, as well as offering mentoring and internships. They will also lead pioneering initiatives that embed ground-breaking and contemporary teaching methods.

10. Be a part of something different

At BARTON MANOR SCHOOL you will have a chance to develop and grow in a unique and smaller secondary school. Located in the world heritage site of Canterbury and its Cathedral, our new school is aesthetically beautiful and our learning environment is calm and purposeful.
