

Whitstable Junior School

"learning today for life tomorrow"

WJS Playground Project

We are so excited to begin the journey of updating the WJS Playground. Our plans involve replacing our much loved, but very tired, all-weather pitch with a brand-new multi-sports artificial grass area in green with 2 blue short tennis courts and a red track around the perimeter. We would also like to have a clamber stack installed and refresh all our playground markings.

We have managed to save super hard but we do need a little bit of help to get enough funds to realise all of our dreams for the children.

This is where you might be able to support us in our quest!

We feel very much part of our community here in Whitstable, not least in opening our gates for the charity carparking which so greatly supports our high street and town. We are hoping as a member of this community you may be able to donate to our fundraising campaign and help bring smiles to our children's faces.

If you would like to donate please see the next page for the ways you can do this.

How to donate to the WJS Playground Project:

Donate using our JustGiving Page [JustGiving Page WJS Playground Project](#)

Please use the name you would like displayed on our Tree of Thanks or plaque.

Or

Send the school a cheque (**Whitstable Junior School, Oxford Street, Whitstable, Kent CT5 1DB**) made payable to **Whitstable Junior School**.

If you would like to remain anonymous tick this option on our JustGiving page or let us know when you send us the cheque.

Otherwise all donators will be recognised on our website. Donations of £25+ will be displayed on our Tree of Thanks and donations of £200+, £500+ and £1 000+ will be recognised with a plaque in the school grounds.

Thank you in advance for your very kind donation.

We really appreciate anything you can give and know that Whitstable children for many years to come will reap the rewards of your generosity.

Warm wishes,

Annie Knoupe (Headteacher)

Multi-sports Surface.
A place for children to learn new skills, enjoy competition, understand team building and enjoy being active.

Fun Playground Markings
New markings
activity trails that encourage children to work together and be sociable with others.

Clamber Stack
Using timber and rope the Clamber Stack creates a natural, challenging and enjoyable play area. This encourages the children to develop balance, co ordination and imagination through role play.
"Watch out for the swamp creatures!"
