Wednesday 5th May 2021

Dear Parent/Carer,

Cognitive Ability Tests (CAT)

Year 5 children will be taking CAT assessments during the last 2 weeks of this term. These are taken in the computing suite over a period of sessions.

What are CAT Tests?

CATs assess an individual's ability to reason and manipulate different types of symbols. These symbols are represented through words, quantities and special, geometric or figural patterns. The children are given four tests: Verbal Reasoning, Non-verbal Reasoning, Quantitative and Spatial Ability. These are similar to the types of test in the Kent Test. However, in the Kent Test the second test has both the reasoning and non-verbal reasoning section within the same test.

For each of the four tests, your child will be given a SAS (Standardised Assessment Score) which can be compared to their potential Kent Test Score. CAT scores of 110 or above are considered to be above average with scores above 128 very high. Generally speaking, CAT scores below 110 would suggest that a child is unlikely to achieve selective scores in the Kent Test, although this is not always the case and individual circumstances should be taken into account. Often the scores the children achieve in CAT assessments come out as slightly higher than the Kent test scores.

Once the children have taken the tests you will be informed of their scores. If you would like to talk to your child's class teacher about their Cognitive Ability Tests (CAT scores) and the Kent Test, you will have an opportunity to do this on the following dates and times;

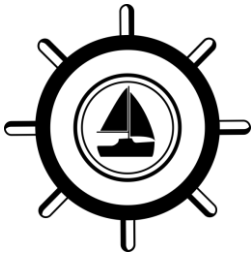

5M- Wednesday 9th June 1:30pm - 6pm.

5T – Thursday 10th June 1:30pm - 6pm

5L – Monday 14th June 1:30pm - 6pm

Please book a place using the normal parent booking system, details on how to do this are attached. The booking system will open at 6pm on 24th May and close at 6pm on Sunday 6th June. This is only for those parents who may be considering entering their children for the Kent Test rather than a general parent consultation meeting as that was held in term 4.

Normally I would hold a parent information meeting regarding the Kent Test and the process for selecting a secondary school place but, in a bid to keep things as safe as possible I will be doing the same as last year, which was to share an information video, which appeared to work well. The video will be on the school website by the end of this term and a further letter updating you with information will follow.

Finally, should you have any questions you think I might be able to help you with please contact the school.

Kind regards,
Annie Knoupe
Headteacher
