Charity No. 1067859

We are an independent registered charity that provides small group lessons on Clarinet, Flute, Alto Sax, Cornet and Trumpet, and Recorder for younger children.

Our assembly in school today taught your child about how musical instruments work.

To find out how to give your child the opportunity to learn to play an instrument at school, with lessons starting from £3.75 each, just come along to our meeting!

The meeting will last for around 30 minutes and there will be time to answer any questions you might have.

What our pupils say about learning with us:

“

It's really fun and it gets you off your phone!

If you play an instrument you can get inspired by all kinds of music.

It gives me something good to do and makes my family really proud.

If you can't speak with words, you can speak with music.

”

We look forward to meeting you and starting your child's musical journey!
