Dear Parents and Carers,

Firstly, I'd like to wish you all a warm welcome to Whitstable Junior School. We are delighted you will be joining us in September.

Please find attached the WJS Information Pack. I hope this will answer most if not all of your questions. You will find information about school procedures, times, routines, uniform and even what stationery would be useful if your child would like to get themselves organized for September (we love a bit of stationery, we are teachers after all). This is all optional of course.

However, please remember we are happy to answer any questions we have not covered so do phone us or email should you need any more information. There is a lot to take in! We are also delighted to be able to tell you that we will be holding a New Parents Information Meeting on Monday July 11th at 5pm in the WJS school hall. You will be able to ask any questions and meet your child's new teacher and see their classroom. Please complete this google form to let us know if you will be attending. We will have spoken at length to your child's previous school by the time they join us, however if you feel there is any information you would like us to know about your child before they start, please contact Ms Kirsten Collin who is the Lower School Phase Leader and AHT/SENCO. She can be contacted by email kcollin@whitstable-junior.kent.sch.uk. We would much rather have information twice than not at all.

There are also a "few" documents that we need you to read, acknowledge and digitally sign. These documents are very important and enable us to look after your child safely. This year we have put these all into Google Forms and the links to the forms are below. You may find in the Google Form that you are directed via another link to the document on our website. This is the document you will need to read before completing the Google Form.

We are always looking for new ways to help the environment. If you require a paper copy, please contact the school office and we will send all the documents out to you and ask you to sign and return them to school.

We want the support that our school offers to families, to reflect the great trust that you are placing in us by choosing our school and we look forward to welcoming you into our community.

Warmest wishes,
Annie Knoupe
