

14th July 2022

Dear Mrs Knoupe

Further to our conversation earlier today.

It has come to light that a system error occurred causing a double booking of one of the accommodations you wanted on the 19th June 2023

I am happy to say we are able to offer the following week of the 26th June 2023 for which I have sent you a provisional booking and deposit request.

Again many thanks for your understanding in this matter and we look forward to welcoming you to Gilwell Park and Scout Adventures on 26th June to 28th June 2023.

Kind regards
