NSPCC

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3 February 2023**.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern. Did you know that on average, a child contacts Childline every **25 seconds**?

Making maths meaningful

As we are passionate about making learning fun and memorable, we thought that supporting Number Day would be a great way to make maths fun and encourage a positive, ‘can-do’ attitude towards it as well as supporting such a worthwhile charity. During the course of the day, the children will experience some great ‘in and out of school’ activities to promote their enjoyment in maths and use their maths skills to make memories.

What we are asking you to do at home:

- If your child would like to, please support them as dressing up either as a Rockstar (for our TTRockstars) or as a number. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme.
- **To help raise money for the NSPCC, we are asking for donations on the gate, and we’d love everyone in the school to take part in this special event.**
- There is a TT Rockstar competition happening online involving schools in the United Kingdom. It’s a 1-day competition which starts on Friday 3rd February 2023 at 07:30 GMT and ends at 19:30 GMT. It’s all done online via play.ttrockstars.com. See poster for more information.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at school will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

If you have any questions do not hesitate to ask,

Thank you and best wishes,

Rebecca Lodge

Math’s Lead at Whitstable Juniors
