Email us:

WhitstableYC@Kent.gov.uk

Our youth sessions provide young people with an opportunity to engage in a range of activities (cooking, arts & crafts, sports, computer games) in a safe space with their peers, supervised by youth workers who can provide support and guidance.

There is no cost to access our open access youth sessions.

Outreach & Detached

For ages 11-19 years, the youth mini bus will be based as close to the recreation ground wherever possible. Updates to the sessions will be made via our facebook page:

**Canterbury Youth
Detached Bus**

As part of our outreach offer we will be talking and approaching young people within the community, please say hi!
