Dear Parents/Guardians,

A guide to Reports: Year 6

Please find your child's Term 6 Report.

You will see on this report your child's Teacher Assessment outcomes and their Key Stage 2 SATs results. We are obliged to report outcomes in this way and the explanation of the codes will hopefully clarify them. If you need any further clarification, please do not hesitate to contact your child's class teacher. Results in tests are a snapshot in time that are not always identical to teacher assessment or what you child has achieved during their time with us.

Children are given a scaled score, with 100 as the benchmark showing they have achieved the new expectations for their age. Those achieving 110 or higher are considered to have achieved a higher standard or 'Greater depth'.

You child's attendance percentage is also shared with you on this report.

We are immensely proud of all the children and all that they have achieved. They have consistently demonstrated our school values and have a wonderful 'can do' attitude. I would like to take this opportunity to wish your child well on the next phase of their school journey. They will all be greatly missed.

Kind regards,

Sarah Kent
Headteacher
