SPONSOR FORM

Rotary Club of Chestfield in Association with your child's school is supporting
International Walk for Water Day – 22nd March 2024.

Student (name)..... could be walking 6km carrying 6 litres of water in a backpack, (or giving up drinks other than water) just as many children of the same age in developing countries do every day to fetch drinking water for their families. The amount of money that is raised will go to a drinking water and water sanitation project in Kenya at a school similar to their own. Please give your support as we try to make a difference.
