Access Arrangements for the Year 6 SATS 2024

Dear Parent/Carers,

We are writing to inform you that your child will have access to adult support during the KS2 SATs tests this year.

The adult or small group situation, will be able to provide them with some, or all of the following:

- prompts to keep them focused,
- a reader for parts of the test (if appropriate)
- brain breaks (if brain breaks are used this will not change the actual time given to them to complete the test),
- and a scribe or transcribe should they require it due to poor motor skills or handwriting

The support provided is common classroom practice for your child to ensure they can access the test and have the same opportunities as the rest of the cohort.

Should you have any further questions please do not hesitate to contact your child's classteacher or me via email kroy@whitstable-junior.kent.sch.uk or telephone the office.

Kind regards,

Kate Roy

Assistant Headteacher
