Dear Parent/carer

We are looking forward to the start of the new term and hope you are too. We want to reassure you that we are all set up and ready for the wraparound sessions at Whitstable Junior School. All places currently booked through Class for Kids are secure. We are now moving onto a new booking system called Pebble. We would really appreciate you moving your booking onto this new system as soon as possible. Through the Pebble booking, the pay system of Poncho will allow you to choose how you would like to pay, either using your card, childcare vouchers or use your TAX free childcare account.

If your childcare voucher provider isn't displayed as an option, please let us know as soon as possible and we will see if we can get registered with them. Alternatively, you can send us an invitation to create an account.

Below is the link to book for Term 1.

When booking into sessions it is important to note that if you are booking a mixture of half and full sessions, you must complete one set of sessions for a half day first, and then after paying for that, you will have to create a separate booking for the full session afterwards.

For anyone who has already made a payment through class for kids, you have been sent an email with a discount code that can be applied to your booking to deduct the amount. You must use this code in one transaction and not across various transactions.

Any new parents wanting to book onto the Activate- Wraparound care after school club, we do still have some places remaining. Please use the above link to create an account and book the sessions that you require. Alternatively, head to our website where you will find links to all sessions.

If you require further support or information, or to complete a care plan form to help us best support your child, please email us at the below address. Also if you need to contact our team directly at the session then please call this direct number, which will enable you to speak to the coaches delivering the session- 01227 203874

Yours Sincerely,

Tom Tsangarides (Manging Director – Inclusive Sport)
