Whitstable Junior School Admission Arrangements for Entrance September 2027/28

The School's Published Admission Number is 60

Contact details are as follows:

The Headteacher
Whitstable Junior School
Oxford Street
Whitstable
CT5 1DB
01227 272385 – manager@whitstable-junior.kent.sch.uk

In the event of oversubscription: Before the application of oversubscription criteria, children with a statement of special educational need or Education, Health and Care Plan which names the school will be admitted. As a result of this, the published admissions number will be reduced accordingly. If the number of preferences for the school is more than the number of spaces available, places will be allocated in the following priority order:

1. Looked After Children and previously Looked After Children – A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A previously looked after child means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

2. Current Family Association - a brother or sister in the same school at the time of entry where the family continue to live at the same address as when the sibling was admitted – or – if they have moved – live within 2 miles of the school, or have moved to a property that is nearer to the school than the previous property as defined by the 'Nearness' criterion'.

In this context brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters.

3. Health and Special Access Reasons – Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians' physical or mental health or social needs mean that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

4. Nearness of children's homes to school – Nearness of children's homes to school - we use the distance between the child's permanent home address (defined in KCC's annual admissions prospectus) and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school. Where applications are made from properties or abodes that are not registered to the NLPG, including new build properties, KCC may be required to use planning sites or other relevant co-ordinates. In exceptional circumstances where alternative co-ordinates are not available, measurements will be determined by a Senior Admissions Officer and confirmed by Head of Service.

In the event of any of the above criteria being oversubscribed, priority will be given based on distance as described above with those closest being given higher priority. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

If siblings from multiple births (twins, triplets, etc.) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the LA will offer a place to each of the siblings, even if doing so takes the school above its PAN.

Right to Withdraw Places

After a place has been offered the school reserves the right to withdraw the place in the following circumstances:

1. When a parent or carer has failed to respond to an offer within a reasonable time; or
2. When a parent or carer has failed to notify the school of important changes to the application information; or
3. The admission authority offered the place on the basis of a fraudulent or intentionally misleading application from a parent or carer.

Late Applications

The school will use the process set out in the KCC Parents Guide for Primary School Applications.

Appeals

In accordance with the requirements of the Education Acts, the Governors will make arrangements, if required, for parents or carers to appeal to an independent appeal panel against the refusal of a place for their child in the School. Details of the appeals procedure are sent out with all allocation/refusal notifications.

Waiting list

If a child is unsuccessful in obtaining a place because of oversubscription, the parent or carer may ask for the child's name to be placed on the school's waiting list. Applications must be made by notifying the Local Authority. The Local Authority will, using the school's oversubscription criteria in the same order of priority, reallocate any places that have become available to those who have asked to go on the waiting list. The waiting list will be re-ranked in line with the school's published oversubscription criteria every time a child is added to the list. Waiting lists will be maintained until the end of the relevant academic year of admission.

Placing a child's name on the waiting list does not affect the parent's or carer's right of appeal against a refusal to offer the child a place at the school.

In Year Casual and Other Year Group Admissions

Application for admission must be made direct to the Headteacher using the Form IYCAF. The same oversubscription criteria as set out above will be applied.

Requests for admission outside of the normal age group

Requests for admission outside of the normal age group should be made to the Headteacher of each preferred school as early as possible in the admissions round associated with that child's date of birth. This will allow the school and admissions authority sufficient time to make a decision before the closing date. Parents are not expected to provide evidence to support their request to defer their application, however where provided it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, however, failure to provide this may impede a school's ability to agree to deferral. Parents are required to complete a JCAF application for the normal point of entry at the same time, in case their request is declined. This application can be cancelled if the school agrees to accept a deferred application for entry into Year 3 the following year. Deferred applications must be made via paper JCAF to the LA, with written confirmation from each named school attached. Deferred applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with each school's oversubscription criteria.

list. Parents or carers may ask for the child's name to be kept on the school's waiting list should
